Leadership For Social Justice: Making Revolutions In Education

Synopsis

This book brings together the realities of inequities in schooling, addressed by authors with the most recent scholarship available, and provides applications and strategies for intervention to make change. The book is divided into 3 distinct parts: Re-defining Leadership for Social Justice; Preparing Social Justice Leaders; and Next Steps, to mobilize to action as well as to make information accessible and useful. This book challenges leaders, educators and researchers to be effective advocates for social justice. It demonstrates how the current realities in educational leadership training and in school practices re-create inequities. It provides an array of ways of understanding the effects of exclusionary practices.

Customer Reviews

I didn't know much about this book, but the one-star reviewer convinced me that it was worth buying. "ManSizedTarget" bemoans things like "indifference to homosexuality" and the "undermining of traditional power structures," which are better than enmity toward homosexuality and subservience to traditional power structures. I imagine these concepts sound especially good to gay people and minorities. Go figure. *My Child Is Gay: How Parents React When They Hear the News* *Race Matters* The problem with this society isn't that children are being "brainwashed" by "politically correct" ideologues; rather, kids (and adults) are being brainwashed by the corporate-military media complex. *The Hollywood War Machine: U.S. Militarism and Popular Culture* and a PR industry that has colonized our minds in countless ways. *PR! - A Social History of*

Spin. Here are some other resources to nurture social justice and critical thought in the classrooms:
