I am a French teacher, and this is the BEST verb book available. Includes excellent exercises that reinforce the information provided. A MUST for any French student!

This is a great book. It is thorough and suitable for both beginning students that need the extra help with conjugation and for advanced learners that want something reliable to reference. It is sizable and easy to navigate.

I used this book in high school almost 50 years ago, and the latest edition does not disappoint. A must for French students young and old, regardless of the learning platform you are using.

This is an awesome book for french learning! I highly recommend it! It includes a list of 55 essential verbs for beginners and every verb is conjugated in every time! Love it!

It is a book of verbs. I don't think I would have purchased this one if I had realized how big it is.

Cumbersome to use on Kindle. Much easier using the paper book for accessing research.

Purchased for my daughters French 2 class... exactly what she wanted and needed!

This is the hymnal of French. Super baller, a must have for any edudiante
