A great collection of brilliant thoughts and philosophies. Stoic Six Pack 7 - *The Sophists: Memoirs of Socrates, Euthydemus, Stoic Self-control, Gorgias, Protagoras and Biographies (Illustrated)*, features works by William De Witt Hyde, Plato, Henry Sidgwick, etc. I find so much relevant in these pages. Wonderfully organized and assembled. So glad this important material has been brought forward in a readable format so that it will be preserved. Highly recommended. Five stars.

This is a thorough and authoritative set of books about the Sophists - who were itinerant professional teachers and intellectuals who frequented Athens and other Greek cities in the second half of the fifth century B.C.E. In return for a fee, the sophists offered young wealthy Greek men an education in *aretē* (virtue or excellence), thereby attaining wealth and fame while also arousing significant antipathy. The author makes the subject very readable and his knowledge is in-depth. This collection is a must for modern day intellectuals and students about a former age of intellectuals!

Stoic Six Pack 7 - *The Sophists: Memoirs of Socrates, Euthydemus, Stoic Self-control, Gorgias, Protagoras and Biographies (Illustrated)* Kindle Edition Super Six-Pack! Great value - loved it.

This was not my usual kind of eBook but I enjoyed learning the background to Stoic philosophy. A stimulating read. And a steal at only 99 cents!

What a wonderful collection of outstanding classics and their works belonging to the school of Sophists, back in their days teachers and intellectuals, most fascinating individuals. To read the advice given in their own voice from across so many centuries was thrilling, and so were the comments and illustrations. A wonderful addition to my Kindle, a rare one.

I really enjoyed reading: Stoic Six Pack 7 - The Sophists: Memoirs of Socrates, Euthydemus, Stoic Self-control, Gorgias, Protagoras and Biographies (Illustrated) These are classic stories that I will always enjoy! Stimulating! I learned so much!
