Prentice Hall Reference Guide (9th Edition)

Synopsis

For first year composition courses. Prentice Hall Reference Guide , Ninth Edition, is a tabbed, spiral-bound handbook is written to help all writers, including students who may not know proper terminology, quickly find the information they need. Teaching and Learning Experience This text will provide a better teaching and learning experience “for you and your students. It provides: A series of “portals” in Tab 1, through which students can quickly find the answers to their writing, research, and grammar-related questions: Helps students at all levels of learning locate the help they need. Tried and true advice at every stage of the writing process from instructors who have over 30 years of combined experience working with students: The text is written to students and speaks to them using language they can understand. A compact, four-color design with spiral binding and tabs: Makes the book easy to use.

Customer Reviews

Really helpful book for my college English courses!

A wonderful book. Its worth the price.

Everything as advertised.

Daughter loves this book

Easy to follow examples.

Came just as described

A big help with school
