## Synopsis

Rodney Dean Boydenâ ™s exhilarating book, My Grandmotherâ ™s Faith â " The Outcome of Unconditional Love takes the reader into the world of a doting grandmother who consistently demonstrated Godâ ™s hand on her life. The impartation of faith in action, upon her enormously gifted grandson, caused him to grow up to be a quintessential Renaissance man. The fast paced short stories are based on Rodneyâ ™s life experiences and told from his perspective. They represent the good and bad of what makes him the creative person that he is today. The book was written in Rodneyâ ™s home state of West Virginia where the familiar mountain terrain afforded the solitude needed to evaluate and reflect on past and present life events. Within its pages are many common-sense truths. His open and honest storytelling approach gives readers a glimpse into his often lonely and misunderstood existence, as well as his proudest moments. This is an action packed read that you will not be able to put down. A creative genius-type, Rodney was adopted by his maternal grandparents, and grew up primarily with his grandmother, Mrs. Pauline C. Boyden in Beckley, West Virginia. She, through early years of affirmation and validation, nurtured his talents that include singing, playing piano, visual arts, clothing design, tailoring, interior design, furniture design, master carpentry and acting. This book reveals the undeniable power of Godâ ™s purpose. Follow the author as he leads you through his early childhood development experiences where predestined pockets of information burst on the scenes of his life. Rodneyâ ™s talents have afforded him an opportunity to work with stage plays by T. D. Jakes Woman Thou Art Loosed and Tyler Perry Madeaâ ™s Class Reunion. He has appeared on TBN Christian Network, the Stellar Gospel Awards, and HGTV. The singing of traditional hymns continues to reintroduce him to the world as he shares his first love of Old School Gospel music. The young and old have viewed his videos on Facebook and YouTube, over two million times. My Grandmotherâ ™s Faith proves that, at any time, God can use any person, circumstance, or trial, to show his people that finding a peaceful place in Him IS the best place to be!

## Customer Reviews

I am so thankful for the bloodline of family that Rodney was born into and raised by his loving role model, his Grandmother. The faith and confidence that she instilled into Rodney as she let God guide her is an example of how I can be a wonderful and blessed woman. Rodney is blessed with many gifts and he uses them for the glory of God. When he wrote about the celebration of his Grandmother's life after finding out he suffered a great loss was so well written that you felt his emotions along with him. Thank you for sharing your failures along with your successes. I truly appreciate you singing the hymns and your gift with playing the piano. I pray God's blessings on your life, Rodney, as you continue this journey.

Rodney did a great job sharing with us the depth of the love between he and his grandmother. He also allows us to think deeply about situations in our own lives that mirrored some of his experiences. I love how he intermingled the hymns that we grew up, along with poems that made me stop, reflect and think about the future. Excellent read. 5+ stars for Mr. Rodney Dean Boyden
